

# CHRISTMAS CARD

## COMPETITION

Could your  
design be our  
next winner?

We love sending Christmas cards to our supporters each year and choosing what picture goes on the front and what words we put inside can be tricky. So it would be wonderful if you could help us.

We are a Christian Charity, so we want our Christmas Card to reflect that. The story of Jesus' birth is amazing - and we'd like the design to focus on Him.

We'd love your class to create this years masterpiece. So why not search the internet for 'Christmas Bible verses' to collect some inspiration?

We can't wait to see your pictures!

If we use  
your design  
we'll send you  
a prize!
