WALK THROUGH THE BIBLE

## WHY?

Thousands of Primary School teachers are being asked to teach the storyline of the Bible - a huge book that they've never read! Can you imagine that? Where do you start? They would really appreciate help from someone like you.

We would love you to train with us, helping you provide the best possible support for your local schools.

*We're not keeping this to ourselves,  
we're passing it along to the next generation—  
God's fame and fortune,  
the marvellous things he has done.*

Psalm 78:4 (MSG)

## WHAT'S THE BIG IDEA?

We love teaching the Big Picture of the Bible to children in primary schools all over the UK and Ireland.

## MEMORABLE

Every child who experiences **OT MINI** or **NT MINI** is also given a simple foldable 'Workmap' to help along each session

## LASTING IMPACT

We can also gift a lovely new storybook to every child after they have enjoyed **OT/NT MINI**.

# WHY?

---

- 1** You'll be teaching the storyline of the greatest book ever written the Bible!
- 2** What a fun, unique way to tell the next generation of "*the marvellous things He has done*"
- 3** Every child in school is learning about the Bible, but who is teaching it?
- 4** Dress them up!  
Act it out!  
This can be great fun!
- 5** Teachers are asking for help, what an incredible privilege and opportunity.
- 6** Your local schools would love you to help them - in no time you'll be their Bible expert!
- 7** It's fun - The children enjoy it, understand it and consider how it impacts them

# TRAINING

---

## WHERE AND WHEN?

We run 3-day courses regularly. 9am - 5pm. You can find a full list of our upcoming training courses on our website - [www.Bible.org.uk](http://www.Bible.org.uk)

## COST?

£200 for the training.

Food and accommodation are your call - we'll give you some options so you can budget for this

## WE EXPECT

- Well, no surprise, we're looking for you to teach - making it **fun** and **engaging**!
- We will be training you to teach **OT MINI**, so the better you know the Old Testament the easier the training will be.
- You will be expected to teach at least once a year - if you don't, our website will literally forget who you are and you'll need to retrain!
- We don't need you to be really techy - we will show you how to use PowerPoint, and book schools on our website.

## YOU CAN EXPECT

- We will give you loads of ways to help children engage with the storyline of the Old Testament.
- Lots of opportunities to show us you can do it!
- All the materials you need to get you up and running.
- When you've taught **OT MINI** ten times we will contact you and see if you feel ready for **NT MINI**.

# WHERE?

## BUT WHAT ABOUT...?

These two courses have been specifically designed to work best with 9-11 year olds and are only taught in schools within the UK and Ireland.

BUT what about my Sunday school class?

... secondary school?

... housegroup?

... mission trip to Uzbekistan?

... pet Hamster? He's smart, he could do it!

**OT MINI** and **NT MINI** are 100% for 9-11 year olds in schools - but we have courses designed for other ages too, so why not give us a call on 01255 871000 and see how we can help.

(Please note: Sorry, we don't actually have a programme for hamsters)

# T&Cs

---

## THE 7 COMMANDMENTS

1. Thou shalt teach at least once each year
2. Thou shalt be a team player
3. Thou shalt let us know where you are teaching BEFORE you go - so we can equip you with Workmaps and pray for you!
4. Thou shalt have a current DBS certificate
5. Thou shalt be committed to thy local church
6. Thou shalt not promote anything - even your church - while you're teaching a Walk Through the Bible lesson
7. Thou shalt enjoy thyself!

# SYLLABUS

## HOW ARE WE HELPING?

It is important that we are actually helping teachers! The majority of primary schools in the UK - and there are more than 20,000 of them - work with a locally agreed syllabus. This means you'll need to speak with them about how/where our programme fits in for them. Thankfully we have some really simple leaflets explaining what we do in each session - so no need to worry.

It is worth noting though that **25%** of schools in England are Church of England - and now use a programme called **UNDERSTANDING CHRISTIANITY**. We fit like a glove with this - so your local C of E school is probably going to give you your quickest and easiest way to start teaching.

**UC HAS 8 CORE CONCEPTS.** Our **OT MINI** uncovers everything from **PEOPLE OF GOD** and **NT MINI** is a great overview of everything in the **KINGDOM OF GOD** concept.

Please don't forget about the other **75%** though - their children need to hear a positive message from the Bible - probably even more than the C of E schools!
